Your Father's Influence on Your Relationship with God

Let's look at how your relationship with your earthly father has influenced your perception of your heavenly Father.

To make a comparison, transfer all of the check marks you made for your *own father* to the *shaded columns*.

When you have completed this, transfer the check marks you made on the page "Evaluating My Relationship with God". To make them more obvious, use an "**x**" for this category. Put them in the *white columns* in the appropriate places.
